OWN A
UNIQUE
GARDEN!

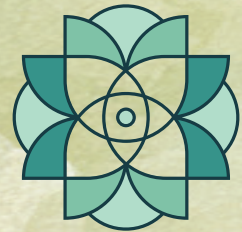

Art of Landscaping

“Cultivating a garden is not just about creating a lush oasis; it's about curating a symphony of colors, textures, and scents that transport you to a state of perpetual vacation—a place where the vibrant rhythms of nature awaken the senses and rejuvenate the soul.”

Bose Krishnamachari
Indian painter & art curator

UNIQUE
GARDEN DÉCOR

THE LEADING LANDSCAPING COMPANY IN INDIA

With the vision to be the leading provider of luxury garden and landscape design in India, Unique Garden Décor was established in 2007. The company embarked on a mission, to provide quality landscape design to its customers, and to ensure, that each design is customized so as to be truly unique.

Mr. Manoj K Gopinath was among the pioneers who introduced the concept of tropical gardens in Kerala. His designs transformed residential backyards to a beautifully designed garden that carried the lush greenery and serenity of the Tropics.

The talented team worked with numerous high-profile clients in both the residential and commercial sectors in making their dreams come true and thus by making Unique Gardens, the biggest and most recommended company for landscape design and consultancy in Kerala.

THE UNIQUE MINDS

*Natural aesthetics.
Artful craft.*

*“The uniqueness started
with a simple idea:
Deliver quality,
well-designed unique
landscapes for home,
business and public spaces.”*

Manoj K Gopinath
Founder / CEO

UNIQUE
IN EVERY
WAY

OUR PROJECTS

AN UNIQUE TEAM

Unique operates with 135 plus core members with a pool of professional and quality labours to support on projects as required. We have a handpicked selection of individuals who embody the quality of being Unique. As a team, we offer a full range of creative solutions to support and meet our client's needs.

Dreams

into reality

Understanding client needs, taking into consideration their well-being and quality of life, and effectively implementing them the best way possible were in prime consideration. We strive to deliver high standards, that nobody expects from a garden décor company.

THE UNIQUE PEOPLE

Thoughtful ideas and innovative concepts are always delivered with much enthusiasm and vigour. With creative insights and professional know-how, Unique garden décor always delivers beyond our clients' expectations. We design landscape on two different levels - urban level and details level, believing that every single detail enriches and shape our landscape.

Numerous projects are being designed with advanced standards, starting from city planning, to residential compounds and villa, as well as public building and recreational areas including the design for plants, hardscapes, lighting, irrigation and planting. Numerous projects are being designed with advanced standards, starting from city planning, to residential compounds and villa, as well as public building and recreational areas including the design for plants, hardscapes, lighting, irrigation and planting.

In the world of Tropical Garden Makers, innovation and sustainability go hand in hand. As stewards of the environment, we are dedicated to incorporating eco-friendly practices into our designs, ensuring that our creations not only thrive today but endure for generations to come. Our commitment to sustainable landscaping is a testament to our belief that beauty should coexist harmoniously with nature.

Sruthy Manoj

Executive Director

To our esteemed clients, your dreams are our inspiration. We are honored to be entrusted with the task of bringing your visions to life. Your satisfaction is our ultimate goal, and we pledge to continue exceeding your expectations with every tropical paradise we create.

Vipin Menon

General Manager

THE UNIQUE EXECUTERS

We put our 100% in every step and our team is all geared to take up any challenges that come our way. We are highly passionate and indeed, we are proud of it! We have an experienced team of remarkably talented people, who are committed to not just deliver our clients' needs but to bring the best out of everything they do. Unique has made an incredible difference to gardening sector, which has flourished under an experienced and creative command.

OUR UNIQUE WORKS

The desire to design and deliver only the best, and the thoughtful approach to gardening has created a unique space for our designs in the hearts of our clients. It's a proud statement to say that most of our clients are through referrals; our works speak for themselves.

Realising the importance a garden plays in the life of people, we take utmost care in crafting them in such a way that it adds to the tranquillity and beauty of the space. Our team along with the leadership of master-craftsman, is excited to pursue this journey of creating elegant tropical gardens.
